

ORANGEVILLE FAIR – 2020

September 4th – September 6th

Labour Day Weekend

The **Orangeville Agricultural Society** is pleased to invite you to reserve booth space as an 'Inside Vendor' at the **Orangeville Fair – 2020**.

You will find a layout of our buildings on our web site at this address:

Your booth will join with the other vendors who are promoting their products or services in the main Exhibition Hall. This Hall also contains the 'Home Craft' displays and competitions, together with the 'Junior Fair' displays. We know from experience that this combination of exhibits attracts a large number of visitors from all walks of life in Orangeville, Dufferin County and the surrounding areas, and that will be a benefit to you and your organization.

Also on our web site you will find a general exhibit hall layout (link below)

The rules for unloading, parking and set-up form part of your application for space. Please read and abide by all rules to make this a safe and happy event for all.

As usual, acceptance of any application will be at the discretion of the chairperson. Every effort will be made to reduce duplication of display of similar products or services, and to be able to present a varied experience to the public in attendance.

The Board of Directors and members of the Orangeville Agricultural Society look forward to having you join us in making the 2020 Fair a great success for everyone.

Sincerely,

Kathy Rogers-Hartley & Patti Dickins
Fair Coordinators
