The midway sets up on the grassed area to the South of the Main Show Ring. Food vendors and other outdoor vendors mainly set up on the grassed area in front of the demo derby/truck and tractor pull pits.

The rules for unloading, parking and set-up are part of the application form. Please read and abide by all rules and regulations to make this a safe and happy event for all.

The acceptance of any application is at the discretion of the chairperson. Every effort will be made to reduce duplication of products or services, and to provide ample food options to the public.

The Board of Directors and members of the Orangeville Agricultural Society look forward to having you join us in making the 2020 Fair a great success for everyone.

See you at the FAIR!!!

Sincerely,

Kathy Rogers-Hartley & Patti Dickins
