

## **Message from Homecraft Chairperson**

Welcome to the Orangeville Fall Fair with this year's theme **Homegrown and Handmade!** Look for ***displays, entries and demonstrations*** that support our theme. Our Homecraft committees work all year to provide a great competition and displays in our Exhibit Hall. Thanks to all the volunteers who help make this happen. Thank you to all our generous sponsors who support our Homecraft entries with amazing prizes.

We hope you will take time to read through the Fair Book early and select lots of entries that you can work on during the summer or grow vegetables and plants in time to enter at our Labour Day weekend fair. Good luck with your many entries. We look forward to seeing you for another successful fair.
