The Board of Directors and the Membership of the Orangeville Agricultural Society invite the public to become involved in presenting the annual fair. Volunteers are always welcome! Contact us about the many things we do and how you could be involved as well.

Suggestions on how we may improve the fair, or ideas for future attractions, may be submitted in writing to the above address or e-mail. We ask that our fair visitors patronize our valuable community sponsors and partners, who aid us with financial support or services in kind, so that we may continue to better promote the rural way of living.

Photography taken by the O.A.S. staff & members is the property of the O.A.S. for its use either in print or on the web site.

ATTENTION STUDENTS

Get Involved~

Get School Community Hours

What better way to get your high school community hours, than to take part in your community, doing something you enjoy?

Away that weekend? No problem.

Throughout the year, you can participate in many events.
