will once again be showcasing tractors and other antique equipment.

INSIDE ANTIQUE DISPLAY

Doing Business in the Community for Decades

A business starts, opens a store, or provides a service. A few of them prosper and adjust, grow with the town, and are passed on to the next generation.

Visit the Antique Display Booth at The Fair and see the stories behind those businesses who have been a mainstay in the community for years.

Don't forget to check out the Agri-Food Education Area in the Ag Hall, with the Ag Trivia Challenge wheel with children's prizes, mystery boxes, activity sheets, the corn play table, commodity displays & yummy recipe cards for your MOM!
